## CALENDAR OF TOURS

We offer birding and wildlife tours designed, arranged and led by ourselves to North Peru and to Indonesia. We can organise visits to the cultural sites in Peru. We also assist other small tour operators by advertising their tours and where possible to offer small groups to join them.

Hugh Buck from Dumfries, Scotland operates [Buckbird Journeys Limited](#) and runs tours to some very remote and exciting places.

[Heritage Expeditions](#) offer top quality expedition cruises to the New Zealand Subantarctic Islands, the Russian Far East & other Pacific destinations and offer us discounts for group bookings.
